(c) what is Government's reaction thereto?

THE MINISTER OF HUMAN RESOURCE DEVELOPMENT (SHRI ARJUN SINGH): (a) Yes Sir, such a Seminar was held under the aegis of the Catholic Priests Conference of India.

(b) The Seminar highlighted the important role played by women in human development and their basic equality with men in every respect. The Seminar highlighted how women were being exploited by the prevailing economic, social, political, cultural and religious structures. The participants at the Seminar spoke of bringing about attitudinal changes in their own parishes and dioceses and ensuring the participation of women in the management and administration of these institutions. They also resolved to organise women's groups in parishes and dioceses with various secular movements supporting the cause of women.

(c) Government welcomes such initiatives of non-governmental organisations, religious orders and other sections of society in furthering the cause of women.
